

What does infinity look like?

MAT Poster Competition 2017

Design a poster to answer the question “What does infinity look like?” Your poster can include words, images and/or symbols.

Posters can be hand-drawn or digital, as long as the poster design and thinking is yours, and you use and acknowledge

appropriately any information and images copied from the internet or books. Entries must be sent to the Mathematical Association of Tasmania by 3pm on Thursday 13th April via email (nathan.peterson@soc.tas.edu.au) or via mail (PO Box 5096, UTAS LPO, TAS, 7005). Entries will be judged during the MAT Annual Conference (12th - 13th May 2017); the judges’ decision is final. Winning posters may be published online (with permission).
